☐ No

☐ Other: _____

4. Given this justification: "*Disclosure request and disclosing information can't happen at the same time*". *

Does **DisclosureRequest** is mutual exclusive with **DiscloseInformation**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

5. Given this justification: "*Sending report and notifying user can't happen at the same time*". *

Does **SendReport** is mutual exclusive with **NotifyUser**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

6. Given this justification: "*User requesting explanation and providing explanation can't happen at the same time*". *

Does **UserRequestExplanation** is mutual exclusive with **ProvideExplanation**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

7. Given this justification: "*User opening the app and user using the app can't happen at the same time*". *

Does **UserOpenApp** is mutual exclusive with **UserUseApp**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

8. Given this justification: "*Requesting user consent and checking consent capacity can't happen at the same time*". *

Does **RequestUserConsent** is mutual exclusive with

CheckConsentCapacity?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

9. Given this justification: "*Providing instructions and showing help icon can't happen at the same time*". *

Does **ProvideInstructions** is mutual exclusive with **ShowHelpIcon**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

10. Given this justification: "*Requesting file access and giving all-time access can't happen at the same time*". *

Does **RequestFileAccess** is mutual exclusive with **GiveAllTimeAccess**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

11. Given this justification: "*Sending appropriate notification and providing instructions can't happen at the same time*". *

Does **SendAppropriateNotification** is mutual exclusive with **ProvideInstructions**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

12. Given this justification: "*Processing data and following jurisdiction rules can't happen at the same time*". *

Does **ProcessData** is mutual exclusive with **FollowJurisdictionRules**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

13. Given this justification: "*Requesting guardian consent and checking the recipient can't happen at the same time*". *

Does **RequestGuardianConsent** is mutual exclusive with **CheckRecipient**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

14. Given this justification: "*Consent capacity must be checked before approving a data recipient*". *

For the Tabiat case study, does **CheckConsentCapacity** always happen before **ApproveDataRecipient**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

15. Given this justification: "*User needs to open the app before using it*". *

For the Tabiat case study, does **UserOpenApp** always happen before **UserUseApp**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

16. Given this justification: "*The user must first be notified before an appropriate notification is sent*". *

For the Tabiat case study, does **NotifyUser** always happen before **SendAppropriateNotification**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

17. Given this justification: "*User must request an explanation before one is provided*". *

For the Tabiat case study, does **UserRequestExplanation** always happen before **ProvideExplanation**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

18. Given this justification: "*Instructions must be provided before showing the help icon*". *

For the Tabiat case study, does **ProvideInstructions** always happen before **ShowHelpIcon**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

19. Given this justification: "*Disclosure request must happen before disclosing information*". *

For the Tabiat case study, does **DisclosureRequest** always happen before **DiscloseInformation**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

20. Given this justification: "*A demonstration must be provided before ensuring social norms*". *

For the Tabiat case study, does **ProvideDemonstration** always happen before **EnsureSocialNorms**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

21. Given this justification: "*justification*". *

For the Tabiat case study, does **RequestFileAccess** always happen before **GiveAllTimeAccess**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

22. Given this justification: *"If it's a user's first time, a demonstration is often required"*. *

Does **isFirstTime** implies **demonstrationRequired**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

23. Given this justification: *"If consent for data processing is given then it implies user's consent"*. *

Does **dataProcessConsent** implies **userConsent**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

24. Given this justification: *"If a user has consent capacity then it implies user's consent"*. *

Does **userHasConsentCapacity** implies **userConsent**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

25. Given this justification: "*Consent for data processing implies consent for app use, as app use involves processing data*". *

Does **dataProcessConsent** implies **appUseConsent**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

26. Given this justification: "*If the user gives their consent, then it implies they consent to use the app.*" *

Does **userConsent** implies **appUseConsent**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

27. Given this justification: "*If a doctor is approved then it implies data recipient's approval.*" *

Does **approvedDoctor** implies **approvedDataRecipient**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

28. Given this justification: "*If the user gives consent, access can't be revoked at the same time.*" *

Does **userConsent** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

29. Given this justification: "*If app use consent is given, access can't be revoked at the same time.*" *

Does **appUseConsent** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

30. Given this justification: "*If the user has consent capacity, access can't be revoked at the same time.*" *

Does **userHasConsentCapacity** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

31. Given this justification: "*If a doctor is approved, access can't be revoked at the same time.*" *

Does **approvedDoctor** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

32. Given this justification: "*If data processing consent is given, access can't be revoked at the same time.*" *

Does **dataProcessConsent** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

33. Given this justification: "*If cultural indicator X holds, access can't be revoked at the same time.*" *

Does **culturalIndicatorX** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

34. Given this justification: "*If it's a user's first time, a doctor cannot be approved at the same time.*" *

Does **isFirstTime** is mutually exclusive **approvedDoctor**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

35. Given this justification: "*If it's a user's first time, a doctor cannot be approved at the same time.*" *

Does **isFirstTime** is mutually exclusive **approvedDoctor**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

36. Given this justification: "*If a data recipient is approved, access can't be revoked at the same time.*" *

Does **approvedDataRecipient** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____

37. Given this justification: "*If an explanation is available, access can't be revoked at the same time.*" *

Does **explanationAvailable** is mutually exclusive **accessRevoked**?

If you have a justification, provided it in others.

Check all that apply.

☐ Yes

☐ No

☐ Other: _____
